

Dear Prospective Family,

Thank you for taking the time to express interest in Lincoln Christian School. Our desire here at Lincoln is to consistently raise the standard of excellence in our education program, and this is only done through the cooperative effort of staff, students, and parents. In fact, I feel so strongly about parental involvement in the educational process that parents are required to attend one of our Partners In Education meetings that I conduct annually.

Lincoln Christian School promotes a scholastic program that is challenging both academically and behaviorally. In order to accomplish this, we have made it a priority to provide premier facilities and equipment, as well as to promote a positive learning atmosphere where students can thrive. The well-trained staff at Lincoln Christian School is dedicated to serving the Lord and integrating Biblical truths into their daily curriculum to create an exceptional learning environment for your children.

Students at Lincoln Christian School will have the opportunity to discover their God-given talents, develop those abilities fully, and devote their individual gifts to the honor of God. Our purpose is to equip students so they can become lifetime learners and mature into the men and women God has called them to be.

I believe the information provided will assist you in making a quality decision concerning the future of your child's education. Please call the LCS Enrollment & Service Center at (918) 234-8150 if you have any questions, or if there is any way we can assist you.

Sincerely,

The Facts

School History

Lincoln Christian School (LCS) was founded by Pastor Willie George in 1997. The school began in the educational wing of the church with 68 students in K4 through 5th grade, and it quickly grew to accommodate kindergarten through 12th grade. In 2003, LCS saw the graduation of its first senior class, and its current enrollment is over 750 students.

Accreditation

Lincoln Christian School is fully accredited with the International Christian Accrediting Association (ICAA) and the North Central Association Commission on Accreditation and School Improvement (NCA CASI). The ICAA is recognized by the State of Oklahoma and approved for full membership in the National Council for Private School Accreditation (NCPSA), a national consortium for the recognition of qualifying private school accrediting associations in the United States. The ICAA is also an active member of the Oklahoma Private School Accreditation Council (OPSAC). Lincoln Christian School is a member in good standing with the Oral Roberts University Educational Fellowship (ORUEF). The NCA CASI is an organization that accredits over 8,500 public and private schools for 19 states in the central United States. LCS is also a member of the Oklahoma Secondary School Activities Association (OSSAA).

Vision

Lincoln Christian School's philosophy is stated in three priorities: godly character, academic excellence, and extracurricular activity. Our main focus is to help students discover God's gifting and plan for their lives. The faculty and families of LCS work diligently to enable students in the development of their God-given talents and to prepare them for a lifetime of learning, serving and honoring God. We firmly believe that only through the discovery of one's vision can an individual find true meaning (Proverbs 29:18). The LCS vision embraces the responsibility of providing students with an education that will give them an equitable academic opportunity with peers beyond our doors.

Faculty

Lincoln Christian School requires teachers to hold degrees, certification, and extensive experience in their areas of expertise. It is our goal to have the best teachers possible. Presently, the LCS teaching staff has an average of 10.4 years of experience.

Facilities

Our classrooms are exceptional in design, and we offer special facilities for art, music, and science and computer labs. There are separate auditoriums, gymnasiums, and libraries for the elementary and secondary levels. We have plenty of outside playground space for recess and activities, and our football and baseball stadiums are among the best in the state of Oklahoma.

School Colors & Mascot

The colors of Lincoln Christian School are crimson, gold, and black, each holding a special significance. Crimson is the color of sacrifice and Christ's redemptive blood, and it denotes the school's basis in the Christian faith. Gold represents character, and at LCS we place godly character at the top of our priorities. Black is the color of moral absolutes, and it reminds us to not compromise our faith or standards. As the school's mascot, the bulldog symbolizes character traits that we value – perseverance and tenacity.

Admission FAQ'S

Grade Levels, Class Sizes and School Hours

What grade levels are offered at Lincoln Christian School?

Lincoln Christian School offers a K5 through 12th grade program. Kindergarten through 5th grade classes are part of our elementary school and our middle school (6th – 8th grade) and high school (9th – 12th grade) are both located in our secondary classroom building.

What is your student-to-teacher ratio?

Smaller class sizes allow teachers to more effectively communicate with and instruct their students. For this reason, we endeavor to maintain the following student to teacher ratios:

| | |
|--|---------|
| K5 – 2 nd grade | 16/18:1 |
| 3 rd – 5 th grade | 20:1 |
| 6 th – 12 th grade | 17:1 |

What is the length of the school day and how are the classes structured?

Classes are held five days a week for two eighteen-week semesters. Middle School and High School days are composed of seven 45-minute periods. LCS employs traditional scheduling, not block scheduling. Our kindergarten program is a full-day program.

| | |
|---------------------------|------------------------------------|
| Kindergarten & Elementary | Monday – Friday, 8:00 AM – 3:00 PM |
| Middle & High School | Monday – Friday, 8:00 AM – 3:05 PM |

How old does a student need to be to enter kindergarten or 1st grade?

| | |
|-----------------------|--|
| Kindergarten | 5 years old on or before September 1 st |
| 1 st Grade | 6 years old on or before September 1 st |

Students must have successfully completed an approved kindergarten program or be found to be developmentally ready for 1st grade.

Who will be my child's teacher?

Families of enrolled students are notified about placement at the annual "Meet Your Teacher / Schedule Pick-Up" day prior to the first day of school.

Admission Requirements

What are the requirements for entrance to LCS?

- Completed application and recommendation forms
- Placement testing for 1st – 12th grade (for those applicants without recent testing scores submitted from another school)
- Entrance testing/screening for kindergarten
- Consistent family attendance and participation at primarily COTM or a similar Bible-believing church
- Family interview with the LCS School Board
- Payment of the enrollment fee upon acceptance

Do you have admissions testing?

Testing scores are just one of the items we evaluate as part of our application process to assist us in determining grade placement. We will test students that do not have recent standardized testing scores available. We also do a screening for kindergarten applicants to verify that they are developmentally ready to begin a full-day K5 program.

When is your open enrollment period?

Open enrollment for the 2010-11 school year will begin on Monday, March 1, 2010.

Do you accept late enrollments or semester transfers?

The majority of our enrollment is conducted between March and July for the start of the fall semester as this allows us to adequately plan for the upcoming school year. Whenever we do receive an admissions application after the open enrollment period has ended, it will be considered on a case-by-case basis. However, the monthly tuition payment plan option is not available for late enrollments; tuition must be paid in full up front upon acceptance.

Are students whose families attend a church other than Church on the Move admitted to LCS?

Preference is given to COTM families. However, when openings occur, we do grant interviews to consider extending admission to those who are in agreement with our philosophies.

We attended COTM at one time, but now attend another church. Does this impact our enrollment?

We will not admit students whose families have left Church on the Move. COTM is the driving force behind LCS and the reason for its existence. We believe this policy gives us the unity necessary to maintain a cohesive body, since the leadership is the same for both organizations.

Tuition

Why do you have two different tuition rates?

The Lincoln Christian School facilities have been made available through Church on the Move. COTM families have helped to make these facilities possible through their obedience to God's Word as it relates to tithing and giving (Malachi 3:10-12). The Non-COTM Tither Rate also helps to cover our facility expenses.

Who qualifies for the COTM Tither Rate?

The COTM Tither Rate is available to the parents or guardians of an LCS student who consistently attend scheduled worship services at Church on the Move and have contributed at least the tithe (10%) of their income to COTM on a regular basis (i.e. weekly/bi-weekly/monthly). Based on a full year, records are verified twice a year in June and December and may affect enrollment status. Families new to COTM must have at least six consecutive months of giving history. New COTM families that qualify for the tithe rate will be accepted on probation and re-evaluated in December.

Are scholarships or financial aid available?

We require that parents count the cost and make the best financial choices for their family while focusing on God as their Source and Provider. We endeavor to keep our tuition rates affordable. While LCS does not have a true scholarship program, a limited amount of financial assistance may be available to families that have a demonstrated need. All financial assistance is determined by the following Financial Assistance Review Process:

- 1) The family must be members or regular attendees of Church on the Move.
- 2) The family must qualify for the COTM Tither Rate. The LCS School Board audits records twice a year, in June and December.
- 3) The family must be a current LCS family. New applicants to LCS will not qualify.
- 4) The family's income level will be verified by a third party analyst.
- 5) The application deadline for the 2010-2011 school year will be May 14, 2010.

Will my child fit in if we don't attend your church and youth group?

We always plan for new students at our school on an annual basis and they historically have acclimated to the new environment and quickly made new friends.
